WHAT WE OFFER

The Inspire Academy was started in 2015 by Canadian/American Language Teacher Maryam Igram. Since then IA has grown and has been offering language stays and professional language coaching on both a national and international level. We welcome students from all over the world to the stunning Basque Region of France to learn French and immerse themselves in France's Southwest culture and lifestyle.

Our training methods are unique in that we engage in fun, interesting indoor and outdoor activities, while learning new languages at the same time.

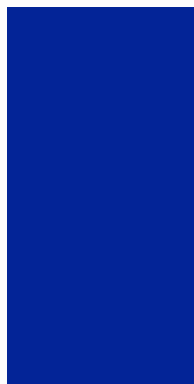

We may go on hikes, visit historical sites, swim, skateboard, surf, walk and talk, learn music, and or paint.

It all depends on the students interests, skills, language level and goals.

Our teachers are all highly qualified and experienced native speakers.
